Note that certain types of sunroofs cannot be opened with load carriers attached. All long loads must be tied down front and rear to the bumpers or tow hooks on the vehicle. Load carriers should be removed before going through an automatic carwash.

Veillez noter que l'installation d'une galerie porte-bagages peut empêcher l'utilisation de certains modèles de toit ouvrant. Tout chargement long doit être attaché à l'avant et à l'arrière, soit aux pare-chocs ou soit aux crochets de remorquage du véhicule. Enlevez la galerie porte-bagages avant d'entrer dans un lave-auto automatique.
